Glyde Burroughs

Dragpipe

I don't hear your voice
Follow me it is your choice
Lots of love to me and you
Will you ever see it throughI will call your name
Is it time for me to blame
All the shit that you've become
I will never see the gunYou don't know me
It's just another part to lose
I don't feel you
It's just another part of
What I'll never beI don't like your ways
Silence is for wasting days
Will I ever see you fall
Now it's time for me to callI will be insane
And life is just a boring game
In this box I hold the gun
Don't believe what I have doneYou don't know me
It's just another part to lose
I don't feel you
It's just another part of
What I'll never be
