

# Recondition, Reprogram, Reactivate

## Gatsby's American Dream

Relearn to feel.  
Somewhere I forgot about the feeling.  
If feelings make us human,  
then what am I,  
then what am I?(Get ready a change is coming...) (x2)  
(Get ready...)I am,  
I am reprogrammed.  
Almost human now--stop.  
Stop.  
Stop!Stop. I've got a gun.  
Halt the process, duck and run run.  
Not quite human, but this weapon's loaded.  
Not quite human, but this weapon's loaded.  
Stop. (I've got a gun.)  
Halt the process, duck and run run.  
Not quite human, but this weapon's loaded.  
Not quite human, but this weapon is loaded.
