

Create Beauty

Jesse Boykins III

So I'll stay persistent
Follow thru with a hello
Around you Im feeling psychic
And I can tell you really like this
And I got more where that came from
Follow me to my homeIts raining storming oh
Ugly outside
So so cold
I got somethings we could do too
Come on Darling
The world so ugly
Gotta help me
Create Beauty
Come on baby
Create Beauty with meLead me in the right direction
I wanna go where its dripping
Baby I'll be your protection
So lets do what we gotta do
Your body sweet like some maple, I know Im more than able
And I really wanna savor
Every-part of you
Come on Darling
The world so ugly
Gotta help me
Create Beauty
Come on baby
Create Beauty with me
