

Ha Ha Man

Guided By Voices

1, 2, 3, 4

His merchandise is sublime

But don't laugh at the Ha Ha man

While you were gawking I was talking

And squawking with the Ha Ha man

So now I think breakfast is the plan

Are you coming with the Ha Ha man?

Ha Ha man Ha Ha man ha ha ha ha ha ha ha ha
(It's a ridiculous concept, and everyone's laughing but me)
