

Bonkers (radio Edit) [feat. Armand Helden]

Dizzee Rascal

I wake up everyday is a daydream
Everything in my life ain't what it seems
I wake up just to go back to sleep
I act real shallow but I'm in too deep
And all I care about is sex and violence
A heavy bassline is my kind of silence
Everybody says that I've gotta get a grip
But I let sanity give me the slip

Some people think I'm bonkers
But I just think I'm free
Man I'm just living my life
There's nothing crazy about me
Some people pay for thrills
But I get mine for free
Man I'm just living my life
There's nothing crazy about me

(Bonkers)
