Don't Stop the Dance

Bryan Ferry

Mama says, "Truth is all that matters
Lying and deceiving is a sin"
Drifting through a world that's torn and tattered
Every thought I have don't mean a thingDon't stop, don't stop the dance
[Incomprehensible], "Don't stop the dance"Mama says, "Love is all the matters
Beauty should be deeper than your skin"
Living for the moment, lips and lashes
Will I ever find my way again?Don't stop, don't stop the dance
[Incomprehensible], "Don't stop the dance"Don't stop, don't stop the danceMama says, "Only stormy weather
Don't know why there's no sun in the sky"
Footsteps in the dark come together
Got to keep on moving or I will dieDon't stop, don't stop the dance
[Incomprehensible], "Don't stop the dance"Don't stop, don't stop the dance
[Incomprehensible], "Don't stop the dance"
Don't stop, don't stop the dance
