## **Favorite Thing**

## **The Replacements**

Yeah!

Yeah, kid, it's a-really hip
With plenty of flash and you know it
Yeah, dad, you're rocking real bad
Don't break your neck when you fall down laughing
Donna, want to, Donna

Yeah, I know I look like hell
I smoke and I drink and I'm feeling swell
Yeah, I hear you think it's weird (everything's clear?)
But I don't give a single shit

Yeah, man, it's a-hip, you know what I'm saying
It's a-hip, you know what I'm saying
And I hear it
My heart aches, it's a-looking for a dolly
Looking for a dolly, can't you hear it
Want to be something, want to be anything

Yeah, I know I feel this way But I ain't gonna never change Yeah, I hear, I think, I know Rock don't give a shit, you know

> You're my favorite thing You're my favorite thing Bar nothing

I think, think, once in a while
