Through Waiting

Greeley Estates

I can't be the one to show you the way all the time
I'm left all alone to wander this place asking whyI'm falling back to you after all that we've been through
I can't let goI'm through letting you walk over me all the time
I've heard this before you can't keep this up, make up your mindI'm falling back to you after all that we've been through
I can't let go
