10:03 (Instrumental)

Doves

10:03 on a fast train
A trick of light
Crossing my eye
A skyward plane
Calling out your name
Calling out your nameLike the last of those fires
We shall burn into the night
Like a moth to the flame
I will turn back again
Oh I'm coming home
Calling out your name
All I've ever knownDistant call down the wire
Distant train on the line
I'll return to your side
With the push and pull of the tide
All I've ever known
Calling out your name
Oh I'm coming home10:03 on a fast train
