

Carols Sing

[Michael W. Smith](#)

Carols sing to the king
Jesus Christ our Saviour
Born this day, angels say
In a lowly manger He came down to the earth
Bringing us new birth
Carols sing to the king
Jesus Christ our Saviour Tidings bring, Hail the king
Shepherds did adore him
From afar, by the star
Wise men sought and found him Son of God, son of man
All in all I see
Carols raise, his name praise
He shall reign eternally
