

Forgotten Children

Mouse on the Keys

Just a normal day
Streets turn into graves
Traces have been removed
The search was disapproved So cold the night
The weak ones lose the fight
So many of them out there
No one seems to care Lost and so alone
Born but never known
Left all on their own
Forgotten children We'll never hear a name
They carry all the blame
Too young to break the chains
Forgotten children They see, they feel
Believe, just like we do
They're laughing and crying
Wanna live here like me and you Eyes without light, too tired of goodbyes
Never felt embraced
And frightened of every face
A life in disguise, hope forever died Lost and so alone
Born but never known
Left all on their own
Forgotten children We'll never hear a name
They carry all the blame
Too young to break the chains
Forgotten children They see, they feel
Believe, just like we do
They're laughing and crying
Wanna live here, like me and you It shouldn't really be that way
It shouldn't really be that way We see, we feel
Believe just like you
We're laughing and crying
Wanna live here We see, we feel
Believe just like you
We're laughing and crying
Wanna live here, just like you
