

# Ten Little Indians

Harry Nilsson

Ten little Indians standing in a line  
One stood looking at another man's wife  
Then there were nineNine little Indians  
Their hearts were full of hate  
One took another's goods  
Then there were eightEight little Indians  
They just got down from Heaven  
One told a lie about another's best friend  
Then there were sevenSeven little Indians  
All trying to get their kicks  
One thought he'd found another way  
To get to Heaven, then there were sixSix little Indians  
All trying to stay alive  
One took another's life  
Then there were fiveFive little Indians  
All trying to find the door  
One pulled his mother down  
Then there were fourFour little Indians  
All thinking that they gotta be free  
One little Indian forgot to say his prayers  
Then there were threeThree little Indians  
Deciding what they're gonna have to do  
One took the name of God in vain  
Then there were twoTwo little Indians  
Thinking that they oughta have some fun  
One took a liking to a picture of himself  
Then there was oneOne little Indian  
Out looking for the sun  
At six o'clock, the moon came out  
Then there was none
