

# I Learned From You

## Hannah Montana

Ooh, yeah I didn't wanna listen to what you were sayin'  
I thought that I knew all I need to know  
I didn't realize that somewhere inside me  
I knew you were right but I couldn't say so And I can take care of myself  
Yeah, you taught me well I learned from you that I do not crumble  
I learned that strength is something you choose  
All of the reasons to keep on believin'  
There's no question, that's a lesson, that I learned from you We always don't agree on what is the best way  
To get to the place that we're going from here  
But I can really trust you, and give you the distance  
To make your decisions without any fear I'm grateful for all of the times  
You opened my eyes I learned from you that I do not crumble  
I learned that strength is something you choose  
All of the reasons to keep on believin'  
There's no question, that's a lesson, I learned from you You taught me to stand on my own  
And I thank you for that  
You saved me and made me And now that I'm looking back  
I can say Yeah I learned from you that I do not crumble  
I learned that strength is something you choose  
All of the reasons to keep on believin'  
There's no question, that's a lesson, I learned from you I learned from you, I learned from you  
I learned that strength is something you choose  
All of the reasons to keep on believin'  
There's no question, that's a lesson that I learned from you  
Yeah, yeah, I learned from you
