'Cause tonight I'm full of fire, baby [Full of fire], oh, yeah

What you're giving me is a feeling so strong, so strong
Feel my nature rise, girl [Feel my nature rise]
I'm gonna make you feel good tonight, you're the only one(You're the only one I want to slow dance with) I wanna slow dance with you, baby
[I just wanna slow dance] DJ let the record spin around real nice and slow, yeah
(You're the only one I want to slow dance with) Baby, let's slow dance right now
[I just wanna slow dance with you] All you gotta do is take my hand and let me, woo(Let me lead you to the middle of the floor) Ooh, baby
