Somewhere Else Tonight

Mansions On The Moon

It's late at night, everybody's out
Doing the same thing
Taking a look back, putting a foot forward
Thinking the same thing
It's late at night, everybody's out
Doing the same thing
Taking a look back, putting a foot forward
Thinking the same thingDo you wanna go SOMEWHERE ELSE TONIGHT?
Do you wanna go SOMEWHERE ELSE TONIGHT?When we were young, we would run home when the street lights come on
Here and now, now we leave our house and the city lights
are never burning out
We don't wanna go home, can we just stay out?
Cause we can't sleep at night
The city lights are never burning outDo you wanna go SOMEWHERE ELSE TONIGHT?
Do you wanna go SOMEWHERE ELSE TONIGHT?When we were young, we would run home when the street lights come on
Here and now, now we leave our house and the city lights
are never burning outIf I knew what I knew now
When I was only a child
I think my existence would be different from what it is now
If I could know what I knew
When I was only a kid
I think I could imagine how my life is different than this
If I could meet myself for a moment in time
I would tell myself the clock was ticking and stop wasting time
'Cause we're still thinking on the same pageDo you wanna go SOMEWHERE ELSE TONIGHT?
Do you wanna go SOMEWHERE ELSE TONIGHT?When we were young, we would run home when the street lights come on
Here and now, now we leave our house and the city lights
never burning out
