Broccoli

Rocket Surgeons

When it's dinner time
I got something you should try.
It's crunchy, green and yummy
And it's bound to blow your mind.
It's low on calories
And it looks like mini trees
When you're having dinner with me.
Broccoli

I chop it and steam it
I chop it and steam it
I chop it and steam it
I chop it
We're having broccoli

I chop it and steam it
I chop it and steam it
I chop it and steam it
I chop it
We're having broccoli

Girl better give me that broc broc
Stew it all up in a crockpot
Put it on the board get the top cropped
SautÃ© all day with a chop chop chop
(Wooo) give me them green trees
All in a bowl and I'm trollin' these
Kids all cool with their lunchables
Don't talk to me I got broccoli

Popeye need that spinach
all I need is broccoli
Top is soft and fluffy
And the bottom's muscle-y
Excited and delighted
at the sight of mini trees
Don't you spill my bowl just fill it
when you grill it we gon' sing

When it's dinner time

I got something you should try.
It's crunchy, green and yummy
And it's bound to blow your mind.
It's low on calories
And it looks like mini trees
When you're having dinner with me.

We're having broccoli
I chop it and steam it
I chop it and steam it
I chop it and steam it
I chop it
We're having broccoli
I chop it and steam it
I chop it and steam it
I chop it and steam it
I chop it
We're having broccoli

Kirby B-R-occoli
Chop my veggies properly
With the cheese and the trees
And the birds and the bees
Give me these sweet beats while I eat
Give me these sweet beats while I eat with a spoon
Girl I got some broc for you
Payday cheddar steam it hot
Backwards day it's Coli-Broc

Great with beef, Chinese scoop
Bomb with cheese, try this soup
When the kids say no that's more for me
Slam it in my mouth for the Alley-oop
Steam it, grill it, fry it? Naw!
Me and ODB we like it raw
When it hits dinner T-I-M-E

We're having broccoli
I chop it and steam it
I chop it and steam it
I chop it and steam it
I chop it
We're having broccoliï»¿

I chop it and steam it

I chop it and steam it
I chop it and steam it
I chop it
We're having broccoliï»¿

I chop it and steam it
I chop it and steam it
I chop it and steam it
I chop it
We're having broccoliï»¿

I chop it and steam it
I chop it and steam it
I chop it and steam it
I chop it
We're having broccoli
