Candy

Far East Movement

Yeah
Is you a dime from behind, girl?
Is you a dime from behind, girl?
Far East Movement
Is you a dime from behind, girl?
Mr. 303, ...
Mr. Worldwide ...
We all want them women to go ahead
And put on their glam, folks
Spin around the club and swing hard
... piÃ±ata
Is you a dime from behind, girl?

You a candy, girl
I get it from a mani, girl
The way that you been running through my mind
Mess around, I pulled a hammy, girl
Tryna get them panties, girl
Hotter than a beach in Miami, girl
And I ain't gotta press my love
Cause round his big money, no rammies, girl

Cause after this corona
I'm tryna have a face down
So when I walk up on her
I'm checking from the waist down
I spent a couple on her
We headed to my place now
So when I walk up on ya
I'm checking from the waist down

(Shake that piÃ±ata)
Talking bout that panties, girl
(Shake that piÃ±ata)
Lemme hit that, lemme hit that
(Shake that piÃ±ata)
Talking bout that panties, girl
(Shake that piÃ±ata)
Gimme some of that candy

Now shake that thing, girl
Lemme see what you got
Now shake that thing, girl
Lemme see what you got
Now shake that thing, girl
Lemme see what you got
Now shake that thing, girl
Lemme see what you got
Let's go now

I come from the bottom
I learned how to hustle
...
De niÃ±o, move us, shake us
So fast, but they all shake
Now I'm like, mama, don't talk, just shake
I ain't got time to burn or bake
She had a face full of MAC,
But a mind made up
Had no tracks of respect
Baby, you earned that
...spot, tell me when to turn at
She says she gotta be the worse ...
I'm ready, you ready, let's play
Let's play, like a ..., let's play
Let's play, like a ...

(Shake that piÃ±ata)
Talking bout that panties, girl
(Shake that piÃ±ata)
Lemme hit that, lemme hit that
(Shake that piÃ±ata)
Talking bout that panties, girl
(Shake that piÃ±ata)
Gimme some of that candy
Now shake that thing, girl
Lemme see what you got
Now shake that thing, girl
Lemme see what you got
Now shake that thing, girl
Lemme see what you got
Now shake that thing, girl
Lemme see what you got
Now shake that thing, girl
Lemme see what you got

Let's go now

I like the way you move it, mama
When I see you in them pajamas
Lemme wrap this thing around your neck, yeah
Baby, let me moniter you
When I put my body on you
Break through that body, I'mma
Keep it presidential
You can be my first lady
I'll be Obama

Cause after this corona
I'm tryna have a face down
So when I walk up on her
I'm checking from the waist down
I spent a couple on her
We hit it to my place now
So when I walk upon ya
I'm checking from the waist down

(Shake that piÃ±ata)
Talking bout that panties, girl
(Shake that piÃ±ata)
Lemme hit that, lemme hit that
(Shake that piÃ±ata)
Talking bout that panties, girl
(Shake that piÃ±ata)
Gimme some of that candy
Now shake that thing, girl
Lemme see what you got
Now shake that thing, girl
Lemme see what you got
Now shake that thing, girl
Lemme see what you got
Now shake that thing, girl
Lemme see what you got
Now shake that thing, girl
Lemme see what you got
Let's go now
