Momma in the bathroom leave her ass alone
Cause she probably taking chronic straight to the dome

Go play you lil' fucker, stop being grown

With a big Zulu bitch, nigga getting blown
Watch your tone, if your wear Coppertone
Go back to Africa used to be a theme song
I'm in the zone, do anybody got a zone
I ain't your poppa, but daddy is a rolling stone
Youse a clone, who don't know the shit you on
Unless it's on, a motherfucking ringtone
I'm in a room with two bottles of Patron
You need a loan, to fuck with the Family Stone
Nigga go on, tell 'em Ice Cube is home

California quicksand got a nigga sinking
I can give a fuck what you niggas drinking
