

# Prey

## Burning Image

Heard it all before  
That was long ago  
Always seems the same  
I don't really care And I don't want to fight and I don't want to cry  
You can't see the reason  
If you're covering up your eyes, though it's not the same  
So, now where do you want to go?  
Cause there's no place to hide  
You can't see the reason  
If you're covering up your eyes, though it's not the same See it in their eyes  
Don't they know it's wrong?  
I've seen it all before  
But that was long ago And I don't want to see, just what in the hell is going on  
You can't see the reason, cause you're never in your eyes  
Though it's not the same And I want to talk to god, but he's busy fighting wars  
You can't start a nation if you don't have enough bombs to rule the world Prey Together, finding a way (3X)  
Prey Together (4X)
