Sinner Man

Marley's Ghost

Sinner man, so discouraged
while travelling through this land, this land.
Oh, Lord, this land.
Come, let us have a little talk with Jesus
just to hear what He has to say.
(Chorus:)
My God Almighty spoke and He said,
"Go! And I'll go with you.
Open your mouth and I will speak for you."
For the Lord, tell me what to say,
they won't believe on me.
I would not be a sinner,
tell you the reason why:
'Fraid the Lord might call me
and I wouldn't be ready to die.
(Chorus)
Some say give me silver.
Some say give me gold.
I say, "Give me Jesus!
For He's precious to my soul."
(Chorus)
