Tonight

Tonight Tonight, when someone hurts your feelings deep inside

Please dont care 'cause I will hold you tight

Its up to you tonight

Its up to you Tonight, when someone hurts your feelings deep inside

Please dont care 'cause I will hold you tight

Its up to you tonight

Its up to you Tonight, when someone hurts your feelings deep inside

Please dont care 'cause I will hold you tight

Its up to you tonight

Its up to you Tonight

Tonight
