

Let Go

Ne-Yo

Mmm, mmm

Oh, oh

Listen I know it's past tense, it's been a minute since

We were a couple and walking and holding hands

Kisses and I love you's, doing what lovers do, baby

But baby that was then 'Cause now we don't talk no more

You got a new man and

It shouldn't bother me

But girl it's driving me crazy And everybody says

Boy why don't you just leave it alone

But I don't think I can Sit up all night thinkin' 'bout you and

I know it ain't right baby but I don't

I don't think that I don't think I can let go Sit up all night thinkin' 'bout you and

I know it ain't right baby but I don't

I don't think that I can let go I'm holding on to hope, I know it's foolish though

Thinking that someday she might come back

Wish on it all the time knowin' it never may happen

But see I'm not a fool 'Cause no we don't talk no more

You got a new man but

I'm gonna keep the faith I've got the patience

That some lack But everybody says

Boy why don't you just leave it alone

But I don't think I can Sit up all night thinkin' 'bout you and

I know it ain't right baby but I don't

I don't think that I don't think I can let go Sit up all night thinkin' 'bout you and

I know it ain't right baby but I don't

I don't think that I can let go Don't think that I can let you go, oh no

I don't think that I can let go

And everybody says hey

I don't think that I can let go Sit up all night thinkin' 'bout you and

I know it ain't right baby but I don't

I don't think that I don't think I can let go Sit up all night thinkin' 'bout you and

I know it ain't right baby but I don't

I don't think that I can let go And I don't think that I can let you

Said, I don't think that I can let you

No, don't think, don't think I can let go

Sing again, sing it again

I don't think that I can let you go

Don't think
