

# Black Black Ocean (1998 4-Track Cassette Demo)

## Crooked Fingers

Standing in a sea of sleaze  
Devils come to bury me  
Half way dead and half alive  
Sickness never felt so right  
And every year a few feet more  
Creeping up the ocean floor  
Crawling up the ocean floor  
Crawling slowly to the shore  
Evil lurks an evil pure  
Rising up with an even cure  
To swallow every living thing  
Evil evil entropy  
Drifting drowning death came pounding  
Over under rape and plunder  
And I can't swim and I can't breathe  
Drowning on this drunken sea  
Black black ocean creeping tide  
Rise over me and then leave me to die  
Hanging off the levee brink  
I fell in with a crowd of freaks  
Half were dead and half alive  
Half would kill you the other half would try  
Hooked and baited lined and weighted  
Thrown in with the shit and brine  
So when the Devil's time is due  
And this Devil swallows you  
When half a truth is half a lie  
And sickness never felt so right  
Shame throws down a deathly notion  
Creeping up over black black ocean  
Drifting drowning death came pounding  
Over under rape and plunder  
And I can't swim and I can't breathe  
Drowning on this drunken sea  
Black black ocean creeping tide  
Wash over me and then leave me to die
