

Sunshine Daydream

Grateful Dead

Sunshine, daydream, walking in the tall trees
Going where the wind goes
Blooming like a red rose, now come on over sweetly
Ride out singin', "I got you in the morning sunshine" Sunshine, daydream, now come on over daydream
Sunshine, daydream, hey come on, never gonna sweet dream
Sunshine, daydream, wading in a cold stream Say calling out your window, "Wake up"
Going where the wind goes, never gonna miss that, no no no
Ride out singin', "I got you in the morning sunshine" Sunshine, daydream, hey, sweet coming daydream
Hey, hey, I'm moving on a daydream, hey
Hey, sweet coming daydream, hey
