

# Jennifer

## Styx

Jennifer  
She drinks her sherry wine  
She keeps her lady's love for me all the time  
She's seventeen  
Barely old enough to cry  
A child in her father's eyes, a woman every night  
Her love  
Gives me the power  
Her dreams carry me on  
Jennifer, so inviting  
That I sing  
Jennifer  
She took me by surprise  
She told me that she's much too young to keep me satisfied  
Jennifer  
Ah so delicate and shy  
A child in her mother's eyes but a woman every night  
Her love  
Gives me the power  
Her dreams carry me on  
Jennifer, so exciting  
That I sing  
Her love  
Gives me the power  
Her dreams carry me on  
Jennifer, so exciting  
That I sing
