

# Babe I'm Gonna Leave You

## Plebs

Babe, baby, baby, I'm Gonna Leave You  
I said baby, you know I'm gonna leave you  
I'll leave you when the summertime  
Leave you when the summer comes a rolling'  
Leave you when the summer comes along...

Babe, babe, babe, babe, babe, babe, Baby, baby, I won't wanna leave you  
I ain't joking' woman, I got to ramble...Oh yeah,  
Baby, baby, I won't be there  
really got to ramble  
I can hear it calling' me the way it used to do  
I can hear it calling' me back home...

Babe oh baby, I won't leave you know  
Oh baby, you know I can hear it calling' me you know  
oh I can hear it calling' me  
I can hear it calling' me the way it used to do, oh...

I know, I know, I know I never, never, never,  
never, never, I'll gonna leave you baby  
But I got to go away from this place, I've got to quit  
Ooh baby, baby, baby, baby,  
Baby, baby, baby ooh...  
Can you hear it calling' me?

Woman, woman, I know,  
I know it's good to have you back again  
And I know that one day baby, it's gonna really grow, yes it is  
We gonna go walking' through the park every day...  
What I say, every day. It's really growing'...

It used to really, really good...  
You made me happy at the simple day  
but now I have got to go away  
Baby, baby, baby  
that's when it's calling' me  
oh...that's when it's calling' me...back...home.
