

# There for You

## Prince Royce

There was a time  
When no one would love me  
But you took me in your heart  
And said I'm here to stay  
You never said why  
But why would you trust me  
It's like you could tell the difference  
Between who I was and who I am today  
And in that moment you showed me  
That we could make it last forever  
'Cause if you love me at my worst  
I tell you it only gets better  
Whatever the world may say  
About the choice you made  
You fought that fight and stayed right by my side, so I'll make sure they know  
That you're responsible  
For making me everything you always knew I was  
You said you wanted a lover, a best friend  
And anchor who you believe in  
Your love is the sweetest love I know  
So I'll be there for you  
I'll be there for you  
You deserve the best of everything  
And you are the only one so I'll be there for you  
I'll be there for you  
Baby, I know  
I know you hear stories  
About all those crazy games I used to play  
They say I'm selling you a dream  
But you never judge me  
Even when all the cards were stacked against us  
You put all your money on the line yeah  
And in that moment you showed me  
And in that moment you showed me  
That we could make it last forever  
'Cause if you love me at my worst  
I tell you it only gets better  
Whatever the world may say  
About the choice you made  
You fought that fight and stayed right by my side, so I'll make sure they know  
That you're responsible  
For making me everything you always knew I was  
You said you wanted a lover, a best friend  
And anchor who you believe in

Your love is the sweetest love I know  
So I'll be there for you  
You deserve the best of everything  
And you are the only one  
I'll be there for you anything  
Anything you want, I'll do it  
Por ti lo haria todo, eres mi unico amor  
I'll make sure they know  
That you're responsible  
For making me everything you always knew I was  
You said you wanted a lover, a best friend  
And anchor who you believe in  
Your love is the sweetest love I know  
So I'll be there for you  
I'll be there for you  
You deserve the best of everything  
And you are the only one  
So I'll be there for you  
I'll be there for you  
I'll be there for you  
I'll be there for you
