

Falling In Love Again

Linda Ronstadt

Falling in love again
Never wanted to
What am I to do
Can't help it Love's always been my game
Play it how I may
I was made that way
Can't help it Men cluster to me like moths around a flame
And if their wings burn I know I'm not to blame
Falling in love again
Never wanted to
What am I to do
Can't help it Falling in love again
Never wanted to
What am I to do
Can't help it Love's always been my game
Play it how I may
I was made that way
Can't help it Men cluster to me like moths around a flame
And if their wings burn I know I'm not to blame
Falling in love again
Never wanted to
What am I to do
Can't help it Men cluster to me like moths around a flame
And if their wings burn I know I'm not to blame
Falling in love again
Never wanted to
What am I to do
Can't help it
