

# Tell Me A Story (With Lil'Romeo)

Hilary Duff

[Hilary:]

Tell me a story

I believe, oh I believe

All things are possible on Christmas eve

[Lil' Romeo:]

Ok

It was a night before Christmas

And all through the house

Not a creature was stirring

Not even a mouse

The stockings was hung

By the chimney with care

With hopes that st. nick soon would be there

Me and my sisters and brothers getting ready for bed

Can't wait to get toys for all the break bread

Mom's in plent jammies in the middle

And pops still

Santa coming eating the cookies and milk

[Hilary:]

Tell me a story

I believe, oh I believe

All things are possible on Christmas Eve

Every time I hear that rhyme

I love it even more

Tell me a story

About the night before

[Lil' Romeo:]

Could it be a dream

I think I heard a noise

Jumped out of bed and

It's the no limit boys

I ran to the window

Creak creak

Bright red shin'nin the new Huh-v

Snow in the south haaa that's kinda silly

Is it santa claus or is it my uncle willy

Ya know here we play games but this one feels weird

When I see 8 shiny reindeer

Bout to come and get me

Come on  
[Hilary:]  
Tell me a story  
[Lil' Romeo:]  
Ok  
You want to know  
Check it out  
Now santa  
Called them by name  
Dasher, dancer, prancer  
And they all came  
Vixen, comet, cupid eyes droopin  
Low ears they look's like they snoop'n  
Can't forget donner and blitz  
3 kings  
They was carry'n the gifts  
[Hilary:]  
T-t-t-tell me a  
I believe, oh I believe  
All things are possible on Christmas Eve  
[Lil' Romeo:]  
Wish for it, you just might get it  
Every time I hear that rhyme  
I love it even more  
Tell me a story  
About the night before  
[Lil' Romeo:]  
Wish for it, you just might get it  
I couldn't believe they were fly'n so high  
To the moon and the stars and the lonely sky  
They went up and around  
And sung as they flew  
With the sleigh and the toys  
And Saint nicholas too  
[Lil' Romeo:]  
Yo it ain't about the gifts  
But I'm glad santa came  
Thanks for the video games and the bling-bling  
My lil sisters got bikes an trains  
I'm just glad for the love and thangs  
So you better not shout  
You better not pout  
Why'all know what I'm talkin' about  
Merry christmas to all  
And have a good night

Yo hilary bring the chorus in right  
[Hilary:]  
Tell me a story  
Tell me a story  
[Lil Romeo:]  
Wish for it, you just might get it  
[Instrumental Break]  
[Hilary:]  
Tell me a story  
I believe, oh I believe  
All things are possible on Christmas Eve  
Every time I hear that rhyme  
I love it even more  
Tell me a story  
About the night before  
[Lil Romeo:]  
Wish for it, you just might get it  
[Hilary:]  
Tell me a story
