

# Pieces Of Quiet

## Khanate

Under a bed, a leg and a saw, red teeth gnaw

No more whine, no more whine, quiet time

No more whine

Metal teeth red, red teeth gnaw, leg and saw

Under a bed, a leg and a saw, red teeth gnaw

Silence, while I strip - bones (gnaw, so quiet)

Dark - and quiet, we go...into quiet time

No more whine

...your bones...
