

# Fly Me Away

Noa Neal

Down tight occupied in my mind again  
Running fast coming last since I don't know when  
I, I don't know why False start tripping over myself again  
Hit the ground look around wanna fly again  
Up up up away in the sky  
Take my to over land land and see  
Take me over fly me up up up up Wings lift me up above the sore  
I glide I'm taking up  
Run freely  
And heart fill up with love with love with love  
Bad days payed the??  
See them fade to grey  
See them black and white  
But I know colour show when I'm taking up  
Up up up away in the sky  
Take my to over land land and see  
Take me over fly me up up up up Wings fly me away from here  
Heart don't stop to feel the fear  
Run freely and eyes see clear see clear see clear  
Wings lift me up above the sore  
I glide I'm taking up  
Run freely  
And heart fill up with love with love with love And from where I ly I'm taking in the sky  
I can see for miles and miles and miles and miles I can see for miles  
Wings fly me away from here  
Heart don't stop to feel the fear  
Run freely and eyes see clear see clear see clear  
Wings lift me up above the sore  
I glide I'm taking up  
Run freely  
And heart fill up with love with love with love  
With love with love with love my heart fill up with love
