

What I Don't Know

Avatar

I don't know
What I don't know [x3]There's hellfire in the chalice
Let your lips touch ground and drink
Sister dearest
Sick of love
Don't you know?I've been promised no salvation
Just a lonely bitter end
For the while I'll spare our lives
Promise meI don't know
What I don't know [x3]I'm the worm inside the bottle
And the fairies gone astray
In this forest creatures dwell
Let me outI don't know
What I don't know [x3]
I don't know
What I don't know [x3]I don't know
What I don't know [x3]
I don't know
What I don't know [x3]
I don't know
What I don't know [x3]
I don't know
What I don't know [x3]
I don't know
What I don't know [x3]
