Into the Storm

Blind Guardian

Give it to me
I must have it
Precious treasure
I deserve itWhere can I run?
How can I hide?
The Silmarils
Gems of treelightTheir life belongs to me
Oh, it's sweet
How the darkness is floating aroundWe are following
The will of the one
Through the dark age
And into the stormAnd we are following
The will of the one
Through the dark age
And into the storm
Lord, I'm meanBlack heart show me
What you hold in your hand
I still hunger for more
Release me from my painGive it to me
How I need it
How I need it
How I need itWhere can I run?
How can I hide?
The Silmarils
Gems of treelightTheir life belongs to me
Oh, it's sweet
How the darkness is floating aroundWe are following
The will of the one
Through the dark age
And into the stormAnd we are following
The will of the one
Through the dark age
And into the storm
Lord, I'm meanI did my part
Now it's your turn
And remember
What you've promisedWhere can I run?
How can I hide?
The Silmarils

Gems of treelightTheir life belongs to me
Oh, it's sweet
How the darkness is floating aroundWe are following
The will of the one
Through the dark age
And into the stormAnd we are following
The will of the one
Through the dark age
And into the storm
Lord, I'm mean
