Dedication

Agnostic Front

The generations to follow will embrace our past
What the future holds is our ever last
Our dedication and sincerity, our eternal flame
Today, tomorrow, forever, we're here to stayIt's your life, it's your dreams, dedication
It's what you make out of it, dedication
It's how you chose to live, dedication
It's your life, it's your dreams, dedicationI've committed myself to something so real to me
The path I chose strengthen my integrity
Nothing can compare, nothing shows any threats
Nothing can ever surpass my achievementsI remember way back when I felt alone
I had no one to turn to, nowhere to go
I found an outlet, a place to belong
It felt so right New York hardcore, my homeSome people stayed, watched others go
Those few who walked away will never know
This is my home
