

This Is Not A Love Song (Feat. JD Davis)

David Guetta

It's not a love song
It's not a love song
It's not a love song
It's not a love song
It's not a love song
It's not a love song
This is not a love song
This is not a love song
This is not a love song
This is not a love song
This is not a love song
This is not a love song
Happy to have, not to have not
Big business is very wise
I'm crossing over into
Enterprise
This is not a love song
This is not a love song
This is not a love song
This is not a love song
This is not a love song
I'm adaptable and I like miz new role
I'm getting better and better
I have a new goal
I'm changing my ways where money applies
this is not a love song
This is not a love song
This is not a love song
This is not a love song
This is not a love song
I'm going over to the other side
I'm happy to have not to have not
Big business is very wise
I'm inside free enterprise
This is not a love song
This is not a love song
This is not a love song
This is not a love song
This is not a love song
Not television
Behind the curtain
Out of the cupboard
You take the first train
Into the big world
Are you ready to grab the candle
Not television, Not television

Behind the curtain
Out of the cupboardThis is not a love song
This is not a love song
This is not a love song
This is not a love song
This is not a love songThis is not a love song
This is not a love song
This is not a love song
This is not a love song
This is not a love song
