

# The Hardest Part

## Blondie

Twenty five tons of hardened steel rolls on no ordinary wheel  
Inside the armored car ride two big armed guards  
In a bullet-proof vest, shatterproof glass, overdrive, we're gonna pass  
Twenty five tons of hardened steel rolls on no ordinary wheel  
The hardest part of the armored guard  
Big man of steel behind the steering wheel

Nitro and acetylene open la machine  
No short heist, no overnight, big money take you to Brazil  
Bullet-proof vest, shatterproof glass, overdrive, we're gonna pass  
Time bomb, greasy mob, count down, hurry up, come on

The hardest part of the armored guard  
Big man of steel behind the steering wheel

In a wire mesh cage with a twelve gauge. Radio, we're coming fast  
Ooh, I need to feel some hardened steel, deliver the big money deal

Of the armored guard here's what I heard  
I'll tell you that he will no matter what you feel  
The hardest part of the armored guard  
Big man of steel behind the steering wheel

Twenty five tons of hardened steel deliver the big money deal
