

We Are the Winx

Imitator Tots

Close you eye And open your heart
Belive it in yourself
That how it start
Dream will come true
Just wait and see
Coz the magic in you
And the magic in me We are the winx
We are the winx
Come join the club
We are the winx
We are the winx
We are the winx
Come join the club
We are the winx
Magical flower
Digital power
Rymtes and the tunes
The sun and the moon
Keep on searching far and wide
For the fire burning deep inside
We got the style
And we got the flame
Look all you want
Just dont touch the hair We are the winx
We are the winx Come join the club
Fell will become fairy
So bright make a winx club
The side sparkle with life
Beutiful bloom and her friends is too
They all got the magic now and the magic for you
We are the winx
We are the winx
Come join the club
We are the winx
We are the winx
We are the winx
Come join the club
We are the winx Close your eyes
And open your heart

Believe it yourself
That how it start
Dream will come true
Just wait and see
Coz the magic in you and the magic in me We are the winx
We are the winx
Come join the club
We are the winx
We are the winx
We are the winx
Come join the club
We are the winx Magical flower
Digital power
Rymtes and the tunes
The sun and the moon
Magic shape and the shape it by
And the fire burning deep inside
