

Missing You

Ruff Endz

 Hmm, yeah
 (I miss you baby)
 I've been missin' you
 (It's so hard bein' away from you)Girl, I've been missin' you, baby
 (Mmm, I want you next to me so bad)
 I've been thinking about you girl
 (I miss you so much girl)I never felt loneliness like this before, I'm so paranoid
 Thinkin' you gonna walk through the door
 Girl my heart has so much pain to endure
 It's been hurting for so long till it feels soreGirl I don't wanna hurt no more
 You're everything worth living for
 So baby come back to me
 You belong with me naturally
Take me outta my misery, girl I'm going crazyGirl I've been missing you, like crazy
 Every minute seems like hours
 Every day seems like weeks
 Girl I've been missing you, like crazy
 Every minute seems like hours
 Every day seems like weeksGirl I've been missing you, like crazy
 Every minute seems like hours
 Every day seems like weeks
 Ooh girl, I'm missing you
 You know I'm wanting to
Spend every moment with youGirl it's been so long since I seen your face
 And I'm feeling so out of place
 The touch of your fingertips on my back
As we make contact, didn't I reactTo the chills you send through my veins
 Girl just the thought of you drive me insane
 Girl I can't wait to feel that feeling again
It's your sweet love what I'm missingGirl I been missing you, like crazy
 Every minute seems like hours
 Every day seems like weeks
 Girl I been missing you, like crazy
 Every minute seems like hours
 Every day seems like weeksGirl I've been missing you, like crazy
 Every minute seems like hours
 Every day seems like weeks
 Ooh girl, I'm missing you
 You know I'm wanting to

Spend every moment with you Girl, I'm missing you like crazy
I don't know what it is about you
Each moment without you
Seems like forever babe
I just need to be next to you
And until I'm next to you
I'll be missin' you babe And I've been missing you
Oh, the days have been so long
I've been missing you I've been thinkin' about cheatin' Mrs. Jones
And I've been missing you
Said I'm lost without you baby
Oh baby, baby, I've been missing you Girl I've been missing you, like crazy
Every minute seems like hours
Every day seems like weeks
Girl I've been missing you, like crazy
Every minute seems like hours
Every day seems like weeks Girl I've been missing you, like crazy
Every minute seems like hours
Every day seems like weeks
Ooh girl, I'm missing you
You know I'm wanting to
Spend every moment with you
