Crossfire

Afu-Ra

Hey, hey, hey, hey, hey, oh
I don't want to be a rap dude no more
NiggaYo, come back with that gangsta shit pa you're fraudulent
G's bang it out homeboy fuck the argument
Still on top of my game holding the fork
But the situation got me impatient start blowing your torchThe fizzy move, the fizzy move
At fizzy
(Home)
Four O, no doubt
'Cus I am a BK villain
And this year I 'm passing out brass knuckle ass whoopingTen years in this bitch, fuck it, Switch speeds
I been spitting this venom since the age of sixteen
But you wanna be the Jordan of rap
An I' be catch you on the rebound slam dunk two in your backYou ain't shit, never was shit, never gone be shit
I'm the cold Medina DP shit, AH
(AH)
Authentic true blue believe it ill be back for the 2 o's 2Bone crushing, bone breaking
Now, what you rock for?
We in the making you move like is a dead zone
Steady 'causing damage
Now, what you stop for?
We hit you off for the brain that what we came forYou see I' m faster than you, faster than anybody
Fast like a hottie doing a buck sixty on the Bacardi
You couldn't spare my rage F the Porsche-a
You know I squash ya'Daddy yo I'm hotter than Chinese chilly sauce mixed with musavie
I'm sick in the head invisible fleds
I'm shooting the stars I'm blacking the whites to blues
That right, yeah, I'm sickening with the Kung FuMore complex then Mixo Flicks or Weird Al Yankovic
Supposing a remix stick with some sick shit
Pistachio absolute Tanqueray mix with tequila
I'm instillina a willina and killing ya'
(Killing ya')
Mother sucking fire breathing Godzilla
Ayo this party right here is straight fire
(FIYAHH)
Life Force, M.O.P we take it higherBone crushing, bone breaking
Bone crushing, bone breaking
Now, who do you rock for?
We in the making you moves that's why came for

Steady causing damage
Now, what you stop for?
We stimulating the brain that's why we came forBone crushing, bone breaking
Now, what you rock for?
We in the making you move like is a dead zone
Steady causing damage
Now what you stop for?
We hit you off for the brain that what we came forLet's pop it off
(Yes, sir, who that is?)
William Danze one of the illest ever
That spit sparks with from both hands
I learn these criminal ways
Were criminals blaze at everything above your waistlineYou take mine, you ain't that bad, you must be mad
You fucking faggot got mixed up with another dude
May peace and blessings be upon you
How you doing brother? Do, noLook if I was in a position of giving us faith
(Listen)
Osama Bin Laden would have been shot in his face
(Missing)
Like every life he destroy in the World Trade
I ain't got no patients for the faggot less greatCouldn't wait to hit the wake with an O.G staff
Trained to shake'em, take'em and break'em in half
Using heavy caliber weapons for clearing the pathThe same as we do in the ave nigga, look
(Look)
Is the legendary M.O.Piggidy back
Murdering tracks with Afu-Rigidy blackBone crushing, bone breaking
Now who do you rock for?
We in the making you moves that's why came for
Steady causing damage
Now, what you stop for?
We stimulating the brain that's why we came forBone crushing, bone breaking
Now, what you rock for?
We in the making you move like is a dead zone
Steady causing damage
Now, what you stop for?
We hit you off for the brain that's what we came forBone crushing, bone breaking
Now, who do you rock for?
We in the making you moves that's why came for
Steady causing damage
Now, what you stop for?
We stimulating the brain that's why we came for
Bone crushing, bone breaking, nigga
