Sweep Me Away

Alex Kassel

Father, I love Your ways
You came in Your mercy and died in my place
All I can do is bow
Because of Your goodness and Your sovereign grace
That You sweep me away, sweep me away in Your love
Where nothing else matters
Sweep me away, sweep me away in Your love
Where nothing else matters
Tears rolling down my face
Because of Your love and Your sweet embrace
The peace that just overflows
It's here that I know You have been waiting to
Sweep me away, sweep me away in Your love
Where nothing else matters
Sweep me away, sweep me away in Your love
Where nothing else matters
(Sweep me away, sweep me away)
Just You and me Lord
Sweep me away
(Sweep me away, away in Your love)
Sweep me away in Your love
(Sweep me away, sweep me away)
Sweep me away in Your love
(Sweep me away, away in Your love)
Sweep me away in Your love
Oh, away in Your love, sweep
Sweep me away, sweep me away in Your love
Where nothing else matters
Sweep me away, sweep me away in Your love
Where nothing else matters
Just You and me, just You and me
Sweep me away, oh Lord
Your grace, it covers me
Your love, it covers me
Oh God, You cover me
Your grace, it covers me
Your love, it covers me
Oh God, You cover me
Your grace, it covers me

Your love, it covers me
Oh God, You cover me
Your grace, it covers me
Your love, it covers me
Oh God, You cover me
