When I Get Out

Masked Intruder

Get Out" Ringtone to your Cell
When I get out
When I get out
When I get out
When I get out(When I get out)
I'm gonna find the pig that put me away
Give him a piece of my mind
(When I get out)
I'm having ice-cream every day
And pizza every night(When I get out)
I'm gonna follow my own rules
Do whatever the fuck I want
(When I get out)
Every single thing is gonna be cool
All of my problems are gonna be gone
(When I get out)
Oh, you better believe I count the days
(When I get out)
That, girl, you know I just can't waitThe sun is gonna be shining, not a cloud in the sky
No bars (no bars), no walls (no walls) between you and I
We're coming under the stars, we can be all alike
I could think of the whole world if you just be by my side
When I get out(When I get out)
I'm gonna find the dude that testified
Make him regret what he said
(When I get out)
I could stay up every night
Drink a beer and jump into my plane
(When I get out)
Yeah I'm gon' follow my own rules
Do whatever the fuck I want
(When I get out)
Every single thing is gonna be cool
All of my problems are gonna be gone(When I get out)
Oh, you better believe I count the days
(When I get out)
That, girl, you know I just can't waitThe sun is gonna be shining, not a cloud in the sky
No bars (no bars), no walls (no walls) between you and I
We can steal a car, [?]

I could think of the whole world if you just be by my side
When I get out
Yeah, when I get out(When I get out)
Oh, you better believe I count the days
(When I get out)
That, baby, now I just can't waitThe sun is gonna be shining, not a cloud in the sky
No bars (no bars), no walls (no walls) between you and I
We can steal a car, [?]
I could think of the whole world if you just be by my sideThe sun is gonna be shining, not a cloud in the sky
No bars (no bars), no walls (no walls) between you and I
