## Gucci Mane

[Verse 1: Gucci Mane]

Im tryna get it my way  
they say guwop got bales and bricks  
thats what the FBI say  
Half a million dollar car,  
i pulled it out the driveway  
got two million dollars on a bus  
pulled over on the highway  
Nigga owe me, come back shooting  
like big worm did on friday  
these niggas twitter beefing but i keep  
AK's at my stay  
We all in its entirety, menace to society  
bitch im black minority, white folks call  
me violent  
they tried to ban Gucci Mane music  
and the people started rioting  
drop top maserati no more fucking  
licence  
man look what they did to tupac  
look what the did to tyson  
i got two vices, smoke weed and shoot  
dices (gucci)
