

# Red Sky

Robert Buckley, The Troy Univeristy, Ralph Ford &

( david )

I was out on the highway  
I was out on my feet  
I was tired and hungry  
I was late for the meet  
I had a red sky behind me  
I had the bad guys on my tail  
I had a hundred different reasons  
To keep me falling away  
I had a red sky behind me  
With the stars coming into view  
And the thought that kept me going  
Was soon I'm gonna make it with you  
I had the desert on both sides now  
I had the lights in my eyes  
Of the town I remember  
Up ahead in the cold black sky  
I had a red sky behind me  
I had the bad guys on my tail  
I had a hundred different reasons  
To keep me falling away  
I had a red sky behind me  
With the stars coming into view  
And the thought that kept me going  
  
Was soon I'm gonna make it with you  
Well I remember that old saying  
'bout how good tomorrow will be  
But will I be lucky to see  
With a red sky's lucky for me  
In my dreams there is a picture  
Of me in a big gold frame  
And the poeple that I've never seen  
Are pointing at my name  
I had a red sky behind me  
I had the bad guys on my tail  
I had a hundred different reasons  
To keep me falling away  
I had a red sky behind me

With the stars coming into view  
And the thought that kept me going  
Was soon I'm gonna make it with you  
I had a red sky behind me  
With the stars coming into view  
And the thought that kept me going  
Was soon I'm gonna make it with you  
Red sky...  
Red sky...  
Red sky...
