

# She Lives In My Lap (Ft. Rosario Dawson)

## OutKast

What's wrong?  
What are you afraid of?  
The love below She stays alone, never sheds a single tear  
She stays in the coolest moods, clearly woman of the year  
She and all her girlfriends, they go out dressed to win  
She comes back to the cooler side of town  
But she lives in my lap She lives in my lap  
She lives in my lap  
She lives in my lap  
She lives in my lap  
She lives in my lap  
Forever my fiance  
She lives in my lap  
Don't need no chain  
She lives in my lap  
I'll get the courage one day  
Make me want you make me miss you  
Make me wonder where you are  
Then forget you  
Girl remind me, just who we are  
We're oh, so close but yet so far Baby why are you acting like this?  
I don't care about any of them  
I care about you  
Baby I love you You've got me open wide  
I love you, just come inside  
Baby  
It's yours  
It's yours  
I'm yours  
I'm yours  
For sure  
For sure  
Play baby play  
She lives in my lap  
Forever my fiance

She lives in my lap  
Don't need no chain  
She lives in my lap  
I'll get the courage one day The love below  
But she lives in my lap  
You've got me open wide  
She lives in my lap  
My, I'm yours  
Play baby play  
She lives in my lap  
Don't need no chain  
Baby I love you  
Forever my fiance  
She lives in my lap  
Play baby play
