

# Redneck Crazy

[Tyler Farr](#)

"Redneck Crazy"  
Gonna drive like hell through your neighbourhood  
Park this Silverado on your front lawn  
Crank up a little Hank, sit on the hood and drink  
I'm about to get my redneck crazy off on I'm gonna aim my headlights into your bedroom windows  
Throw empty beer cans at both of your shadows  
I didn't come here to start a fight, but I'm up for anything tonight  
You know you broke the wrong heart baby, and drove me redneck crazy  
Wish I knew how long it's been going  
on  
How long you've been getting some on the side  
NO, he can't amount to much by the look of that little truck  
Well he wont be getting any sleep tonight I'm gonna aim my headlights into your bedroom windows  
Throw empty beer cans at both of your shadows  
I didn't come here to start a fight, but I'm up for anything tonight  
You know you broke the wrong heart baby, and drove me redneck crazy  
Redneck crazy Did you think I'd wish you both the best, endless love and happiness  
You know that's just not the kind of man I am  
I'm the kind that shows up at your house at 3am I'm gonna aim my headlights into your bedroom windows  
Throw empty beer cans at both of your shadows  
I didn't come here to start a fight, but I'm up for anything tonight  
You gone and broke the wrong heart baby, and drove me redneck crazy  
You drove me redneck crazy, oh
