

Only Shallow

My Bloody Valentine

Sleep
Like a pillow
Down(ward)
And
(Where)
She won't care
Anyway (where)Soft
As a pillow
Touch her there
Where she won't dare
Somewhere
Sleep
Like a (royal)
(Subject)Think
That you grew
Stronger there
Speak
Your troubles
She's not scaredSoft like there's silk
Everywhere
Sleep
(Is a) pillow
ComeWhere she won't dare
Anyway (where)
(Look)
In the mirror
She's not there
Where she won't care
Somewhere
