

Sayyan

Eclectica

Kyun hai tu aankh bichaye
Naino se ashq bahaye
Aayega tujhse milne, tera sayyan
Jhoothi hain saari kahani
Baatein hain aani jaani
Aaunga aur thamunga, teri baiyan Teri hothon si laali mein rang ke,
Karta hoon rab se dua
Guzre pal ki un khushiyon ko phir se,
Is pal mein ab tu saja
Is pal vich hun naiyo jeena Galla vich tu hai sayyan
Khwaban vich tu hai sayyan
Sayyan ve sayyan sayyan, tera sayyan
Akhiyan cho hanju hatauna
Mukhan tu deep jalauna
Sayyan ve sayyan sayyan, tera sayyan
Sayyan ve sayyan sayyan,
Sayyan ve sayyan sayyan,
Sayyan ve sayyan sayyan, tera sayyan Agle janam milan di
Koshish karaanga main
Tere bagair jeevan
Duss ki karaanga main... ki karaanga main
Duniya di is juban nu
Kida padhaanga main
Tere bagair jeeven
Das ki karaanga main
Je main rowa log kaenge deewana ho gaya haan
Na main rowa te kaenge begana ho gaya haan
Soch na inve duur jaa ke main tenu pul gaya haan
Raah te chalte soch ke inve ik pal duur gaya haan Teri aankhon ke in aansuon se
Leta hoon ab yeh kasam
Chaahe aa bhi jaye qayamat
Laut aayenge mere kadam
Rabba na de tuu itne sitam Saha di dubti naa nu
Chauka te mila de sayyan
Sayyan ve sayyan sayyan, tera sayyan
Phir is jahaan milan da
Mauka te mila de sayyan
Sayyan ve sayyan sayyan, tera sayyan
Sayyan ve sayyan sayyan,

Sayyan ve sayyan sayyan,
Sayyan ve sayyan sayyan, tera sayyan
Sayyan ve sayyan sayyan,
Sayyan ve sayyan sayyan,
Aayega tujhse milne, tera sayyan
Sayyan ve sayyan sayyan,
Sayyan ve sayyan sayyan,
Aaunga aur thamunga, teri baiyan
