Don't Say (feat. Emily Warren)

The Chainsmokers

Dropping bombs in cups of coffee
You said it hits you all at once
I'm already tired and it's the morning
Then you clear your throat
Deep down I know that this is doneYou tell me you're sorry and I'm laughing
You say sometimes these things just don't work out
'Cause you're only human, this shit happens
Wait, I don't mean to stop you
But darling, I have to cut you offDon't say, don't say you're human
Don't say, don't say it's not your fault
I won't take the bait or these excuses that you're using
So, don't say, don't say you're humanDon't say
Don't say
Don't say
Don't say
Don't say you're humanYou say you've regret the way you acted
Come on, admit you let me down
Say that I'm better in your absence
Go right ahead, say almost anything you wantJust don't say, don't say you're human
Don't say, don't say it's not your fault
I won't take the bait or these excuses that you're using
So, don't say, don't say you're humanDon't say
Don't say
Don't say
Don't say
Don't say you're humanDon't say, don't say you're human
Don't say, don't say it's not your fault
I won't take the bait or these excuses that you're using
So, don't say, don't say you're humanJust don't say, don't say you're human
Don't say, don't say it's not your fault
I won't take the bait or these excuses that you're using
So, don't say, don't say you're humanDon't say
Don't say
Don't say
No way
Don't say you're humanNo way, no way you're human
