

# That's What I Have, That's Who I Am

David Ingles

## Chorus 1

That's what I have  
That's who I am  
I am a king  
Come out of Abraham  
Because of Christ  
I reign in life in Him  
That's what I have  
That's who I am

## Verse 1

Blessings and more blessings  
Overtake me  
All His commandments I observe  
While my soul doth prosper  
In the knowledge  
Of Jesus Christ my Lord  
The living Word

## Verse 2

Blessed have I been in the city  
Blessed have I been in the field  
The Lord has commanded on me blessing  
It's my Father's pleasure and His will

## Verse 3

He blesses everything  
I set my hand to  
My enemies run from me seven ways  
The Lord has opened to me  
His good treasure  
While I observe  
And do what Jesus says
