CS

Delaware

Come in it's so late
Run until your legs get tired
Sleep now then create
Make an image ????

Creating a ??? a friendly ???

Lose my way?
Lose my friend and
You'll be back again, again

You will until the spell is broken
??? are hard to find
They are out there
??? ???

Creating a ??? like a friendly ???

??? ??? is like a friendly ???
Lose my way? ???
Lose my friend and
You'll be back again
